THE BORDERLESS EUROPEAN CAPITAL OF CULTURE 2025

Nova Gorica and Gorizia share the same commitment: being the first European Capital of Borderless Culture. On one side is Nova Gorica, built from scratch after World War II, once the dividing border between Italy and Slovenia was drawn. On the other is Gorizia, a cultural, administrative, and economic centre with an ancient history.

There are numerous events, from music, theatre and dance to fashion, gastronomy, art and mass events – check the [official site of GO!2025](https://www.go2025.eu/en/discover/territory-gorizia-nova-gorica) what will go on during your visit.

Info about the twin cities, culture, sites etc. can be easily found on the web:
